

Studio Place Arts announces:

SPA Studio Residency Program

SPA is inviting emerging artists from the greater Barre/Montpelier area to apply for an 11-month studio residency program that will take place Nov. 13, 2021 to October 31, 2022. A small private studio on the second floor of the visual arts center will be provided at no charge to an emerging artist who wants to build a new body of work for exhibition.

In addition, SPA invites the artist receiving the Studio Residency Program opportunity to exhibit their work in its Second Floor Gallery space from mid-Sept. to early November 2022 (specific dates will be provided later). The selected artist will provide to SPA two 3-hour work shifts each month (or equivalent time) during the residency to assist the nonprofit art center with its activities. The work may involve art instruction, gallery hosting, construction projects, videography, help with receptions, and etc.

Process:

Interested artists need to submit their proposals to SPA by **Wed., June 30, 2021:**

- Short statement about why the studio residency would assist them with their development as an artist (not to exceed 300 words).
- Short description of the body of work they hope to create while at SPA. (Provide 3-4 illustrative images of the direction of the art project.)
- Resume (please state any special skills not on your resume that may be useful at SPA, e.g., carpentry; interior painting)
- 3 references
